

Notice of Approval of Critical Contingency Management Plans and Notice of Go-live Date for Parts 3 and 4 of the Gas Governance (Critical Contingency Management) Regulations 2008

This notice of approval of critical contingency management plans is issued by Gas Industry Company Limited (“Gas Industry Co”), approved as the industry body by Order in Council under section 43ZL of the Gas Act 1992.

Regulation 32(1) of the Gas Governance (Critical Contingency Management) Regulations 2008 provides that as soon as practicable after the industry body has approved critical contingency management plans covering all of the transmission system, the industry body must publish the approval, and a statement of the go-live date of Parts 3 and 4 of the Gas Governance (Critical Contingency Management) Regulations 2008, under Regulation 2 as being the fifth business day after the date of this *New Zealand Gazette* notice.

A copy of the critical contingency management plans will be available on the critical contingency website at

<https://www.oatis.co.nz>

no later than five business days after the publication of this statement.

Dated at Wellington this 14th day of January 2010.

For and on behalf of Gas Industry Co:

RT HON JAMES BOLGER, ONZ, Chair.
